**1. 各个组长负责提交本组的 project 的代码、数据以及报告：**

例如 group1：project1 的代码、数据、报告统一打包成一个压缩包，命名为"group1-project1"，其中：
（1）代码命名为"group1-project1-code"，如为压缩包则压缩包这么命名。
（2）数据命名为"group1-project1-data"，如为压缩包则压缩包这么命名。
（3）报告命名为"group1- project1-report"

同理，project2 也是单独一个压缩包，命名为"group1-project2"，其中：
（1）代码命名为"group1-project2-code"，如为压缩包则压缩包这么命名。
（2）数据命名为"group1-project2-data"，如为压缩包则压缩包这么命名。
（3）报告命名为"group1- project2-report"

【请大家确保提交的数据以及代码是可以跑通的。其他的多余数据不用提交，只需要提交跑代码的数据，以及在报告的最后做好数据说明】

请将两个压缩包放在邮件附件中，邮件主题命名为 group1-Fintech-project。在下周一（11 月 4 日）中午 12:00 前发送至邮箱 ys2022sweet@163.com

**2. 每个人需要提交个人的 business proposal**
报告命名为"姓名-学号-Fintech-BP"。如果有同学有单独的代码和数据需要提交（可选），也可以一起放在附件中，命名为"姓名-学号-Fintech-BP-code"和"姓名-学号-Fintech-BP-data"。

同样，在下周一（11 月 4 日）中午 12:00 前发送至邮箱 ys2022sweet@163.com，邮件主题命名为"姓名-学号-Fintech-BP"

**1. 小组汇报：**
（1）小组汇报时间为 11 月 4 日，每组汇报时长为 15 分钟-18 分钟，共 6 组。
（2）请各组打印纸质报告一份，演讲 PPT 一份，带到教室。
（3）并在课前 10 分钟拷贝好小组的 PPT 到教室电脑。

**2. 个人汇报：**
（1）个人汇报时间为 11 月 7 日，每人汇报时长为 3 分钟，共 30 人。
（2）请每个人打印纸质报告一份，演讲 PPT 一份，带到教室。
（3）并在课前 10 分钟拷贝好演讲的 PPT 到教室电脑。

可供参考的大致评分标准：

（1）小组 project1: 完成度以及 F1 占 10%， 数据及代码的完整以及准确占 10%
（2）小组 project2: 完成度，以及数据及代码的完整准确
（3）个人 business proposal：内容以及 contribution 占 10%，novety 占 10%

**1. Each team leader is responsible for submitting the code, data, and reports for their team's project**

For example, in group1: project1, the code, data, and reports are packaged together into a compressed file named "group1-project1", where:

(1) The code is named "group1-project1-code", and if it is a compressed file, the compressed file is named this way.
(2) The data is named "group1-poject1-data", and if it is a compressed package, the compressed package is named this way.
(3) The report is named "group1-project1-report"

Similarly, project2 is also a separate compressed package named "group1-project2", where:
(1) The code is named "group1-project2-code", and if it is a compressed file, the compressed file is named this way.
(2) The data is named "group1-poject2-data", and if it is a compressed file, the compressed file is named this way.
(3) The report is named "group1-project2-report"

Please ensure that the submitted data and code are runnable. Any additional data does not need to be submitted, only the data for running the code needs to be submitted, and a data explanation should be provided at the end of the report.

Please attach two compressed files to the email with the subject named group1 Fintech project. Send to email before 12:00 noon next Monday (November 4th) ys2022sweet@163.com

**2. Everyone needs to submit their own business proposal**

The report is named "Name-Student ID-Fintech BP". If any student has separate codes and data to submit (optional), they can also be attached together and named "Name - Student ID-Fintech-BP-code" and "Name-Student ID-Fintech-BP-data".

Similarly, please send it to your email before 12:00 noon next Monday (November 4th) ys2022sweet@163.com. The email subject is named "Name-Student-ID-Fintech-BP".

**1. Group pre:**
（1）The group presentation will take place on November 4th, with a duration of 15-18 minutes per group, for a total of 6 groups.
（2）Please print a paper report and print the pre slides for each group and bring them to the classroom.
（3）Copy the group PPT to the classroom computer 10 minutes before class.

**2. Personal pre:**
（1）The personal reporting time is November 7th, with each person reporting for 3 minutes, for a total of 30 people.
（2）Please print a paper report and print the pre slides for each person and bring them to the classroom.
（3） the PPT of the speech to the classroom computer 10 minutes before class.

**Rough rating criteria for reference:**

Group Project 1: Completion and F1 account for 10%, while completeness and accuracy of data and code account for 10%

Group Project 2: Completion, completeness and accuracy of data and code

Personal business proposal: Content and contribution account for 10%, novelty accounts for 10%
